

NEWSLETTER

JUNE 2018

Welcome to our first newsletter, here at StepsCIC we hope to keep you up to date on our your day to day achievements and activities.

If you have any thing you would like us to include in our next issue, any celebration, achievement or interesting story you would like to share, please let us know.

We will be launching our new designed website within the next few days, please take time to check us out, at WWW.stepscic.co.uk

We are also on Facebook and Twitter.

Welcome to our newsletter, we will keep you updated of your achievements, celebrations, and future activities.

Well so much to celebrate after an exciting few months we have had, with our recently decorated and refurnished site at Ashland house, creating a young vibrant social space. Check out the new dining area with a selection of art works created by our own members. Not forgetting our fabulous event at celebrating our members open award achievements, see below snapshots of the event. A remarkable achievement for all members involved and a huge thanks for parents/carers for the support they gave in attending.

Our Golborne members are still very busy with their woodwork projects, below is just a small selection of their crafts, ideal for enhancing our gardens as the summer months continue.

Also a huge thanks to our Golborne base for the production and donation of a selection of birdboxes which will be distributed within the community.

Upcoming

Our new website will be launching in the next few days, www.stepscic.co.uk, this will also keep you up to date with events and achievements of all our members. Enclosed is our new leaflet advising on what StepsCIC has to offer.
